Step 8: Walk/fly up to front of Albertson Building.

Step 9: At this point you can go in and explore Virtual Albertsons or park your avatar in the plaza until class. Make sure you have downloaded QuickTime (see www.sl.uidaho.edu – getting started for download link) onto your computer so that you can watch the streaming video of my computer during the lecture.

Classes will be held in the virtual ALB 102 classroom just inside and to the left in the Virtual Albertson Building. To sit in chairs, roll mouse over chair and click on little chair icon or right click on chair and choose "sit here".
